I'm sure you've thought of this, but can you make sure the final version you send is a PDF rather than a word doc? Thanks!

Subject: Letter to Navy re: ex-Independence

Peter et al.,

Please find attached a draft of the letter to the Navy conveying our comments and concerns regarding the hull cleaning of the ex-Independence. I understand this may be more technical and formal than you had envisioned, but I'm not sure we have time to re-format at this point if we're trying to get this out today. We can remove any specific comments or requests that you think would be more appropriate (b) (5).

Nick and Cara, I'd love your quick eyes on this as well.

Thanks,

Leah
